

We are decorating the sanctuary for Christmas a little differently this year, in an effort to truly live into the Advent season. Advent is all about anticipation, the build up to the ultimate moment of Christmas. In order to help us live into that feeling a little bit more, we will be decorating the sanctuary progressively this year, with something new put up each week, until by Christmas Eve we just cannot wait for it to all be decorated and ready for Christ's birth.

Due to this change of schedule, we are in need of volunteers who will be willing to help out on various days through the Advent season. You by no means have to be there for every date, but if you can be there for some it will make the work go faster and hopefully run smoothly. Below you will find the schedule for dates for decorating. If you are able to help, join us on the days you are available so that we can make Trinity shine for the Christmas season.

Setup Day 1: Saturday, December 2 @ 9:00 AM

Putting up various greenery, the crèche, trees and the Advent wreath

*The trees will be up on Advent 1, but we will light them on Advent 2

Setup Day 2: Sunday, December 10 after 10:45 AM service

Youth will put chrismons on the Christmas trees

Setup Day 3: Sunday, December 17 after 10:45 AM service

Putting up wreaths in windows, setting up candles in the windows, and finalizing all decorations

De-decorate day: Sunday, December 31 after 10:00 AM service

Work on the organ will begin on Tuesday, January 2. In order to give Patrick Murphy all the space necessary and to ensure that none of the organ parts are disturbed during this process, we will need to de-decorate the sanctuary after worship on the 31st.
